Dear Sis;

Have received four letters since I last wrote to you. Sorry that such a long time has went by, but as usual there was something to prevent my writing you.

Hope that this letter finds you and the family in good health and in good spirits. Happy to hear that Diane and Dennis George are getting along fine. Enjoy every word you write concerning them. Am anxiously awaiting the pictures you had taken. Its been a long time since I left and I would like to see how the family looks.

Glad to hear that Ed's garden is getting along alright. Sincerely hope that the crop is a success.

Yes, I received the letter in which you mentioned that you had been

to Steve's home. We are still together and things are still alright with the both of us.

Received a letter from Mrs Roberts and that girl you mentioned but as yet I haven't heard from Dorothy. Can't understand why, she hasn't answered, because I have written four letters to her in the last three months. Would you please inquire as to the reason?

Let me know if you can't get those pictures that were taken at the avocado ranch, and I'd send you the two that were sent to me.

Thanks for the little cartoons you enclosed in the letter. A little humor is always appreciated here.

Haven't seen any white girls for quite a while so if you send me a few pin-up pictures they would help me remember what they look like.

My Love to the five of you,
Sergeant George V. Tudor George.
